

Mayor's Message

Dear Residents & Businesses,

The summer of 2018 has seemed to be hotter and longer than recent ones in the past, so I am all the more excited to be writing you in our Fall Newsletter edition. I am looking forward to the coming of Fall and the cool nights and warm days. We want to be sure to encourage all of you to come and visit the City Park, enjoy the walking trails, stocked fishing lake, or practice on our new four-hole disc golf course!

City Hall is a buzz with projects; anything from new residential development; gearing up for the next (and final) phase of Independence Rd. improvement to business license renewals. With so much activity it can be challenging to keep the many milestones and deadlines in order.

Local drivers will be impacted by the pending road improvements scheduled for **Independence Rd. Phase IV** (from Galahad Dr. to western end of the City Park). The tentative construction period will be from October 31, 2018 through November 1, 2019, but major construction will hold off until winter breaks in 2019. The direction of travel will be one-way heading west or towards Mary Emily Bryant Middle School. The City has incorporated many new requirements and milestones into the bid document and specifications to ensure a much smoother project and to learn from the pitfalls that impacted the last phase.

Now for the fun news, this year's **Senior Citizen Appreciation Day** will be Friday, October 12th from 3:00 - 6:00 PM. All Senior Citizens ages 62 and up are invited to come to this free event in the Parks Building next to City Hall.

We will once again have great food, entertainment and attendance prizes. I hope to see you there as we celebrate Fall and America!

Be sure to visit the City's website for more important updates, news and city related information. You can also sign-up for automatic notifications so you can stay in the loop.

Sincerely,

Donald D. Licklider
Mayor
