

MAYOR'S MESSAGE

Residents,

As autumn approaches, temperatures will steadily drop, and the green trees will shift to vibrant reds, yellows, and oranges. The beginning of a season is a great time to look back on the past to see how we have progressed. As I am sure you have noticed much of our city's roads are under construction. I thank all our citizens for your patience while these improvements are being made. The construction on Independence Road Phase IV should finish at the end of September. MoDOT and the County continue their work on Highway 94 and Westwood Drive.

Our Independence Day Celebration was fantastic. I cannot recall a time when we had so many people at City Park. It is always

a joy to celebrate our country as one community. This fall we will host two great events. On September 13, we will have our annual Senior Citizen Appreciation day. We encourage our senior citizen community to join us at City Park for this wonderful event. Festivities will begin at 3PM and run until 6PM. Come for late BBQ lunch, prizes, and live music. We hope to see you at this fun fall celebration. On October 4th we will host a ribbon cutting and outdoor movie night. For additional information visit weldonspring.org

The City has many committees that help improve the community. Currently the Architectural Review Committee (ARC), Planning & Zoning Commission (P&Z), and Parks & Recreation Advisory Committee have available spots. If you are interested in serving on or questions about one of the committees the city has available, please contact city hall.

We encourage you to sign up for our Email notifications, so you never miss out on information and events happening in our community. Go to weldonspring.org/notify follow the instructions to sign-up and then select only the information you want to hear about, its as simple as that! In closing I wish you all a happy and prosperous fall season

SAMMELMAN ROAD SIDEWALK PROJECT

St. Charles County Highway Department has contracted with Krupp Construction for a sidewalk along Sammelman Rd. These improvements will start at Pitman Hill Rd. along the north side of Sammelman Rd. to the first 90° turn. Drivers should expect minor delays during construction. This project is anticipated to be completed by October. For additional information on this project please visit the city's website at www.weldonspring.org

RECENTLY APPROVED ORDINANCES

Below is a list of related ordinances that the Board of Aldermen passed since the last Newsletter. Copies of our most recent ordinances can be found at www.ecode360.com/laws/WE3474. Also, please feel free to contact Bill Hanks, City Clerk, at (636)-441-2110 Ext. 103 or bhanks@weldonspring.org for any additional information on any of the ordinances.

19-11 – An ordinance providing for the reasonable regulation of Medical Marijuana within the City of Weldon Spring in order to protect the public health, safety, and welfare, and matters relating thereto. The purpose of this ordinance is to put regulations on medical marijuana facilities within the city limits.

19-12 – An ordinance of the City of Weldon Spring, Missouri, regulating the possession, sale, or offering for sale of product containing synthetic cannabinoids and other drugs within the city limits providing for punishment of violations and matters relating thereto. The purpose of this ordinance is to put regulations on the possession or sale of synthetic cannabinoids products within the city limits.

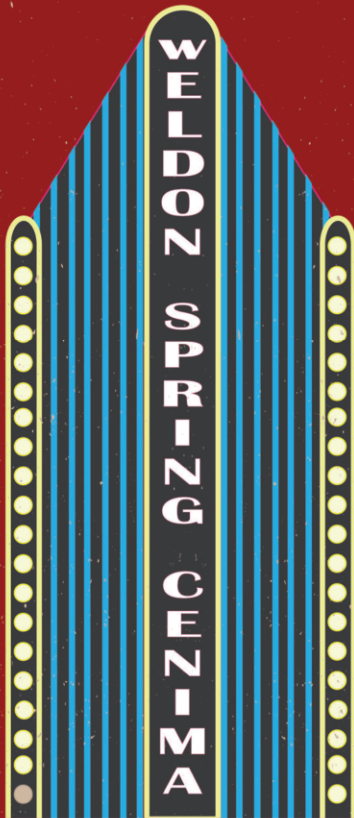

19-13 – An ordinance amending Section 340.117 of the Municipal Code of the City of Weldon Spring to address the operation of golf carts on city streets, alleyways, and pathways. The purpose of this ordinance is to update our city codes regarding use of golf carts on roadways, alleyways, and pathways, initially passed in 2011.

19-14 - An ordinance amending Chapter 120 of the Code of Ordinances of the City of Weldon Spring, Missouri to establish a video conference meeting policy. This will establish a policy to allow our elected officials to participate in public meeting in an event of an emergency.

STORM WATER UPDATE

This past Spring and Summer the region saw massive amounts of rain and flooding. Thankfully Weldon Spring was spared from the damage many other parts of the community suffered. Here are three quick tips to prevent flooding in and around your property. Using runoff to water your lawn and plants can cut down your water bill and help in creating an overall healthier lawn. Another way you can help is to build a rain garden. The use of native plants not only filters groundwater but can also cut down yard erosion. The last way we suggest is investing in rain barrels. These can be purchased at most home improvement stores and can be utilized during especially dry times. For more information on these topics visit

SENIOR CITIZENS APPRECIATION DAY 2019

SEPTEMBER 13TH
3-6PM at CITY PARK

The annual Senior Citizens Appreciation Day has been moved to September 13th. This day celebrates the seniors who give so much to this community. The city will provide food, prizes, and entertainment. All senior residents are invited to this free event. If you would like to sponsor or volunteer please contact city hall.

What is #9PMROUTINE?

On social media, #9PMROUTINE is a reminder to secure houses and vehicles. Making a habit of at 9 PM to take valuables out of cars, lock doors and windows, and turn on exterior lights. There has been an increase in car break-ins this past spring and summer. Please call SCCMO PD at (636) 949-3000 for non-emergency issues. If there is a threat or an emergency, please call 9-1-1.
