CITY OF WELDON SPRING**

CITY OF WELDON SPRING
REGULAR MEETING OF THE BOARD OF ALDERMEN
MAY 8, 2025

CALL TO ORDER: The Weldon Spring Board of Aldermen met for their regular meeting at Weldon Spring City Hall, 5401 Independence Road on Thursday, May 8, 2025, at 7:30 PM with Mayor Donald Licklider presiding.

PLEDGE OF ALLEGIANCE: Mayor Licklider asked everyone in attendance to stand and join in reciting the Pledge of Allegiance.

ROLL CALL AND DETERMINATION OF QUORUM: On a roll call, the following Aldermen were present:

| | | |
|---------|------------------|-----------------|
| Ward 1: | Alderman Clutter | Alderman Yeager |
| Ward 2: | Alderman Conley | Alderman Kolb |
| Ward 3: | | Alderman Culver |

Alderman Martiszus was absent. A quorum was declared.

Also present were Mayor Licklider, Bob Wohler (City Attorney), Don Stolberg (City Administrator), and Bill Hanks (City Clerk).

PUBLIC COMMENTS:

There were no public comments at this time.

MINUTES:

April 24, 2025 – Work Session Minutes: Alderman Clutter moved to approve the minutes from the April 24, 2025, work session, with corrections. The motion was seconded by Alderman Yeager. **Motion carried** with 5 ayes.

Note: Alderman Clutter wants the minutes to reflect that he was not advocating for the creation of new committees, but he believes that the Aldermen should become more involved in the completion of the strategic priorities.

April 24, 2025 – Regular Board Meeting Minutes: Alderman Clutter moved to approve the minutes from the April 24, 2025, regular meeting, as submitted. The motion was seconded by Alderman Culver. **Motion carried** with 5 ayes.

TREASURER'S REPORT:

Alderman Clutter made a motion to accept the Treasurer's packet of paid bills from April 18, 2025, to May 4, 2025, and the March 2025 Credit Card Bill as submitted. The motion was seconded by Alderman Culver. **Motion carried** with 5 ayes.

UNFINISHED BUSINESS:

Wolfrum Road Update: Mr. Stolberg stated that Cochran Engineering is still working on the engineer plans, and the road is continuing to slide with the recent rain events. He added that it could take months for the road to reopen.

There was a discussion about adding more signage to indicate that the road is closed.

NEW BUSINESS:

There was new business at this time.

REPORTS & COMMITTEES:

Public Safety Report: The April Crime Statistic Report was submitted to the elected officials prior to the meeting.

Parks & Recreation Advisory Committee (PRAC) Report: Alderman Conley informed the Board that the playground improvement project would be completed within 6 to 8 weeks after starting the project.

Present – Past City Events: The Board started to recap the Spring Fling event, which was held on April 26. The concert portion of the event wasn't well attended but several residents participated in the shredding portion of the event. Mayor Licklider informed the Board that the overall expense for the event was approximately \$2,300. He added that he felt the shredding portion of the event was too long at four hours. Alderman Clutter believes that the Spring Fling event was scheduled too early in the year and that the weather didn't help. It was suggested that the Spring Fling may be held later in possibly May when weather is better.

Alderman Clutter stated he would like to see the City market their events better. There was a brief discussion about signage and ways to increase attendance that took place.

Possible New Committees: Alderman Clutter stated again that he is not advocating for new committees, but he wants the Alderman to be proactive and show more involvement in the strategic priorities. There was a brief discussion that took place.

City Administrator Report: The City Administrator Report was submitted to the Board prior to the meeting.

Mr. Stolberg stated that the City recently had a bid opening for electrical work associated with the lake improvement project and had only one response, which was \$7,890 from Extreme Electrical. He informed the Board that the Mayor is able to sign the contract without formal Board approval, because it is under \$10,000.

Alderman Conley made a motion to accept the bid from Aquatic Control in the amount of \$12,340 for the aerator and fountain work associated with the lake improvement project, seconded by Alderman Yeager. **Motion carried with 5 ayes.**

ADJOURNMENT:

Alderman Kolb moved to adjourn the meeting at 8:05 PM, seconded by Alderman Culver. **Motion carried with 5 ayes.**

Respectfully submitted,

William C. Hanks, City Clerk

o Mayor's Message

Dear Residents of Weldon Spring,

I hope this letter finds you well and that you are enjoying the beginning of summer. As your Mayor, I'm pleased to share a few important updates and upcoming events that reflect our city's ongoing commitment to community, responsibility, and integrity.

The City hosted its first Live Music event in May. The night was filled with the fantastic tunes of the Rough Ryders band and food from The Moobile and Kona Ice. More Live Music Events with food trucks will be hosted on 07/16, 8/13, and 09/10 starting at 6:00 pm; music starts at 6:30 pm.

We invite you all to our annual Independence Celebration on Friday, July 4, beginning at 4:00 pm at City Park. This year's event features a balloon artist, a foam party, and a variety of food trucks. The evening will conclude with a spectacular fireworks show around 9:15 pm. I hope to see you there to celebrate together as a community.

A new, more accessible, and imaginative playground structure is coming to City Park, please read page five for more details. Construction begins in mid-July. Please follow @cityofweldonspring on Facebook or visit weldonspring.org for updates.

Following recent heavy rains, a landslide forced the closure of a section of Wolfrum Road, beginning at Patriotic Trail and extending one-tenth of a mile northeast. For the safety of our residents and visitors, I've authorized an emergency contract with Cochran Engineering to expedite repairs and develop a solution. Avoid the area and use alternative routes as we work to restore safe access.

Golf carts have become more common on our streets; please read our Golf Cart Rules on page three. These guidelines are in place to ensure the safety of everyone in our community.

Thank you for your continued dedication to making Weldon Spring a vibrant, welcoming, and safe community. As always, it is an honor to serve as your mayor.

Warm regards,

Donald Licklider

Mayor, City of Weldon Spring

○ **New Playground Improvements:**

The City of Weldon Spring is excited to announce changes coming to City Park Playground. The new structure will offer better accessibility and imaginative play for all kids. The Parks and Recreation Advisory Committee (PRAC) reviewed designs from three vendors. The PRAC recommended the design from Byrne & Jones for \$300,000 and an additional \$17,425 to top off the Engineered Wood Fiber mulch across the entire playground area. The Board of Aldermen approved the design and purchase. Byrne & Jones will begin construction in mid-July. The current plan will only close the immediate area where the construction will occur, leaving the rest of the playground playable. Full playground closures may occur. Please follow @cityofweldonspring on Facebook and at weldonspring.org for additional/current information.

- **Welcome Alex Sutton, the Community Engagement Coordinator**

The City of Weldon Spring is excited to welcome Alex Sutton as our new Community Engagement Coordinator. Alex started on April 14, 2025, and is already settling into his role. “I’m excited to be back in Weldon Spring,” Alex shared. “I look forward to meeting residents and helping unite the community through events and communication.”

Alex previously worked as the Marketing and Public Relations Intern with the City in 2024. He holds a master’s degree in public administration from Southeast Missouri State University. In his new role, he’ll focus on event planning, social media, and grant writing to improve the community.

- **Storm Water Management**

When land in Weldon Spring is developed, stormwater systems are often installed to control the runoff. The maintenance of Best Management Practices (BMPs) for stormwater management typically falls under the responsibility of the property owner or homeowner’s association (HOA). These BMPs are designed to prevent and reduce stormwater runoff pollution, protecting water quality.

- **Routine Maintenance tasks:**

- Mowing grass, removing trash and debris, and ensuring outlet pipes remain clear of blockages.

- **Non-Routine Maintenance**

- sediment removal, slope repair, and erosion control measures.
- BMPs require annual inspections to ensure their effectiveness and structural integrity. The HOA or property owner of each BMP should inspect their facilities annually and perform any needed maintenance. All property owners are required to maintain their improvements according to the approved site plans.

- Newer construction in the City requires annual reports to be filed by the property owner. Please call the City Community Development Office for more information.

- **Wolfrum Road Landslide:**

The City of Weldon Spring has announced an extended closure of Wolfrum Road following a significant landslide washout due to heavy rainfall. The landslide rendered the road unsafe for travel, prompting city officials to respond immediately to ensure public safety.

Mayor Donald Licklider has authorized an emergency contract with Cochran Engineering to develop comprehensive repair plans for the affected area. This decision expedites the evaluation and restoration process, allowing the city to act swiftly in addressing the damage caused by the landslide.

“Public safety is our top priority,” said Mayor Licklider. “We are taking immediate steps to assess and repair Wolfrum Road to ensure it is safe for our residents and visitors. Our partnership with Cochran Engineering will help us formulate a clear plan for restoration.”

The closure begins at Patriotic Trail and continues one-tenth of a mile northeast on Wolfrum Road. All traffic must avoid the area and use alternative routes until the repairs are complete. The city will provide updates as more information becomes available and a timeline for reopening the road is established.

City officials are collaborating with Cochran Engineering to evaluate the extent of the damage and develop a plan that reduces disruption while ensuring a comprehensive and safe repair process.
